Welcome to the Village

The TOS 'Link of Hearts' healing meditation team welcomes Beryl and Cathy who have offered to assist in sending healing energy to people on our list. Beryl and Cathy join Amanda, Glenys and Anne. We are grateful for their compassion. If you wish to join the Meditators or feel you are in need of healing energy, please contact us.

Shellene has been on the hunt for the TOS Movie club. She has found 2 interesting movies, which I am sure we will enjoy. The flyers will be emailed later. Please mark the two Sundays 23 April and 14 May in your diary.

As we ponder more terrorist violence in the UK, we need to remember the words of Pope Francis. He said 'I don't like to speak of Islamic violence, because every day, when I browse the newspapers, I see violence, here in Italy... this one who has murdered his girlfriend, another who has murdered the mother-in-law... and these are baptized Catholics! There are violent Catholics! If I speak of Islamic violence, I must speak of Catholic violence . . . and no, not all Muslims are violent, not all Catholics are violent.

The list across the page records some of the gifts Islam has given to the World. Over the page, Chief Seattle's words ring true. Connect with people of goodwill regardless of their religion, culture or race and build a peaceful community.

Best wishes
