

## TOS - August movie fund raiser 'THE BIG SICK'

A huge hit with attendees at this year's Sundance Film Festival; THE BIG SICK centres around Pakistan-born comedian Kumail and grad student Emily, who fall in love but struggle as their cultures clash. When Emily contracts a mysterious illness, Kumail must navigate the crisis with her parents and the emotional tug-of-war between his family and his heart.

Directed by Michael Showalter, THE BIG SICK was written by both comedian Kumail Nanjiani and his wife Emily Gordon, telling the story of their real-life romance to particularly touching effect.

Nanjiani himself stars alongside Zoe Kazan (as Emily), Holly Hunter, Ray Romano, Anupam Kher, Adeel Akhtar, Zenobia Shroff, Kurt Braunohler, Bo Burnham, and Aidy Bryant.
